

CLASS CREST SPORTSWEAR

Class of 1963

As a member of the class I am pleased that our company, Think Ink, Inc., has been given the opportunity to design and produce memorabilia products that will be available for classmates to purchase prior to or at the **Class of '63 Mid Term Reunion** in San Diego this spring.

We have tried to select products for men and women that have universal appeal, offer a variety of styles that are age appropriate, and items at different price levels. These products are shown on the attached 5 pages. An "Excel" order form is also attached for ease of ordering. Products may be ordered either by email, fax or phone. Please note the following:

ORDER PLACEMENT

1. Orders placed by March 1st will be available at the San Diego Reunion.
(Please check on the order form whether you will be attending the reunion.)
2. If you are NOT attending the reunion your order will ship to the address indicated on the order form. Actual shipping charges will be added to your bill. You can contact Think Ink for an estimate of shipping costs.
3. There will be product samples on display at the reunion, however, we don't anticipate having product on hand for sale. Orders can be placed at the reunion and those items will ship by April 22, 2011.
4. The attached prices will be effective until June 1, 2011.

PRODUCT NOTES:

1. All cotton items have been pre-shrunk by the manufacturer. When selecting a size, however, please allow for a potential 5% additional shrinkage.
2. The ladies "Bella" long sleeve T-shirts run small, similar to a junior cut.
3. Extra Long Sizes - Many of the shirt brands that I have proposed don't come in an extra long. On the bodies of most shirts the style tends to be longer than they were a few years ago. For those that require a long sleeve product, with extra long sleeves, contact Think Ink & we will try to accommodate you, however, the color and style may vary from what I have quoted in this flyer and there will be an additional charge.

If you have any questions please contact someone in our office. I look forward to seeing many of you in San Diego.
