

# **Class of 1963 Mid-Term Reunion**

## **March/April 2011**

Dear Classmates, Families, and Friends of the USNA Class of 1963,

Many of us feel that as the years go by we should have an opportunity to get together more often than every five years. Therefore, the Class is planning a “Mid-term Reunion” in San Diego, CA, in the late March, early April, 2011 time frame.

San Diego is a wonderful reunion venue, and is home to many Navy and Marine Corps ships, bases, and units on or in which many classmates have served. The fact that March/April weather is normally in the 70's with lots of sun makes it a great alternative to the colder weather in much of the country. San Diego's many attractions include Balboa Park with its world famous Zoo and museums, Wild Animal Park, Sea World, La Jolla shopping, the USS Midway and a Maritime museums, “world class” golf courses, near by wine tasting tours, Padres baseball, beaches, mountains, great restaurants, and a friendly small town atmosphere with all the big city amenities.

An enthusiastic group of San Diego area Classmates is in the preliminary stages of planning. We have tentatively set the reunion location in a *downtown hotel on San Diego Bay*

*convenient to many attractions and restaurants.* We intend to follow the general four day format of the Annapolis reunions, with possibly a harbor cruise on the first evening, a free night for Company get togethers the second night, and a heavy hors d'oeuvres cocktail party the last night (similar to the one held at the 45th.) We are also negotiating to get a range of favorable rates at several downtown hotels.

We need your help in planning this mid-term reunion by responding to the short survey below. **We need your reply even if you don't plan on attending.** Your response is vital to our ability to negotiate rates and plan the best possible reunion for you.

Sincerely,

Spencer Johnson  
Class President
