Dear Classmates,

Your southern California planning committee is very pleased to invite you to the **Class of '63 Mid Term Reunion (MTR) in San Diego on March 31 through April 3, 2011!**

Our primary purpose for this MTR is to maximize time together, sharing each other's camaraderie in a pleasant atmosphere and setting, with minimal official events. We realize that some of us may be a bit biased, but we submit that San Diego provides the perfect venue for such a reunion!

Besides this cover letter this Registration Package includes: a detailed **Schedule of Events**, the official **Registration Form**, a **Golf Flyer**, and **Hotel Registration Instructions** with **web site links** to a few of the many venues which San Diego has to offer! Please complete the enclosed Registration form, attach payment (either check or credit card), and return it as soon as possible to Lee Cargill at the address indicated on the form.

Our "headquarters" will be the magnificent Manchester Grand Hyatt, centrally located on the waterfront in downtown San Diego, within convenient walking distance to just about everything! Most of our events are scheduled on the San Diego Bay Front near the Hyatt. MTR check-in will take place in our Hospitality Suite, the Cunningham Room, on the fourth floor of the Hyatt overlooking the bay, and will be under the direct supervision of our first Class President, Vern Von Sydow.

We know that you will have many specific questions; we have created a list of **Frequently Asked Questions** (FAQ's) to address many of these. The initial list is attached and will be posted in the Reunions Section of the Class Web Site. This list will be periodically updated as new information becomes available, so check it frequently!

The MTR Committee has had lots of fun planning and organizing this very special Class of 1963 event! However, we know that the most fun will be when we greet you next March here in beautiful San Diego!

Quality '63!
