

## Coach Wayne Hardin's 90th Birthday by Ron Klemick 4/1/16

On 23 March a celebration of Coach Wayne Hardin's 90th Birthday was held at Ballen Isles Country Club in West Palm Beach Florida. There were approximately 100 people in attendance including Coach's family, teammates of Navy classes 58-66, Temple teammates from Wayne's 13 year coaching career. Bill Belichick and his lady friend were honored guests as many of us remember Bill as Steve Belichick's son as he was only 9-11 years old during our time behind the green fence.

Roger Staubach, Tom Lynch , Rick Forzano, Chet Gladchuk , Bill Belichick and selected Temple players added remarks to the evening.

Wayne wrapped up the celebration with a condensed version of his coaching career which led to his 2014 entry to The College Football Hall of Fame. He does not want any more Birthday parties until #100.

Our Class of 1963 was well represented with Bob Schaefer, Walt Pierce, Fred Storz, Sandy and me.
